

How to Dress a Child

(up to 1 year old)

From +22 to +25

- Base Layer:** **Onesie**
Sunhat when outside in direct sunlight
- Footwear:** **Socks** (if in a stroller, depending on the child's comfort)
Sandals + socks (if the child has started walking)
Crocs without socks (if on the beach)

From +5 to +15

- Base Layer:** **Onesie**
- Second Layer:** **Fleece jumpsuit**
Wool booties
- Outer Layer:** **Mid-season jumpsuit**
Fleece hat or thin wool hat
- Footwear:** **Lined boots**

From -15 to -5

- Base Layer:** **Onesie**
- Second Layer:** **Fleece jumpsuit**
Wool booties
- Outer Layer:** **Insulated winter jumpsuit**
Cotton hat
Wool hat
Jumpsuit hood
Insulated mittens without fingers
Flannel blanket*
- Footwear:** **Fur booties**
Sheepskin boots

*Based on temperature, wind, and your baby's tolerance to cold, decide whether a fourth layer, such as a fur envelope or wool blanket, is needed
